

The Derby Dash 5k begins near the Farm Bureau Center (orange star) and will continue around Festival Loop, through the Main tunnel and meander through the equine complex. Runners/walkers head to the main ticket plaza and loop through Parking Lot A before heading north and back through the main tunnel. The final part of the course takes runners just to the west of Meadow Hall and down the hill to the Farm Bureau center finish line (orange triangle). There are slight inclines in Parking lot A and on the hill adjacent to Meadow Hall.
